

Doing Business in Japan 2019

4th Business Seminar in the Prague, Czech Republic - September 19th, 2019

Organizers:

Czech Chamber of Commerce and Industry in Japan, Ministry of Industry and Trade of the Czech Republic, CzechTrade

Partners: Embassy of Japan in the Czech Republic, JETRO Prague, Japan Business Solutions, Confederation of Industry of the Czech Republic, Czech ICT Alliance

Our mission: Our mission is to promote business cooperation between the Czech Republic and Japan. Our goal is to inform Czech companies about Japanese business practices in order to help them to enter Japanese market. The year 2019 is in entry of EPA – Economic Partnership Agreement signed between EU and Japan; therefore, seminar will be focused on information regarding this agreement. During the workshop, information regarding business support will also be provided.

Date: September 19th, 2019 (Thursday)

Venue: Ministry of Industry and Trade of the Czech Republic, Na Františku 32, Prague 1

Participation Fee: Free of charge

Language: Czech / English

Targeted group: Czech Small and Medium Enterprises
